

Covid-19 Policy

I confirm that I am not infected with Covid-19 and I am not presenting any of the following symptoms: fever, shortness of breath, loss of sense of taste or smell, dry cough, runny nose or sore throat

I confirm that I haven't been around anyone exhibiting these symptoms within the past 14 days

I can confirm I am not living with anyone who is diagnosed with Covid-19 or is isolating

I understand the above clauses also apply on the day of the event/class and should any of the above confirmations change, I will not attend the event/class

I will wear a face covering unless I am exempt

I will conform to social distancing

I understand that my details may need to be used for Track and Trace

- All the above will apply to all your workshop guests

Important information regarding Covid-19 and how we are operating...

- **Strike through points will not apply to your workshop**

Our team have been working hard to make the play and learn environment as safe as possible for your children.

We've studied the Government guidance and put in our own enhanced cleaning and maintenance program. (we had most of the measures in place already)

Below are some important points about what we will doing when we run our sessions.

- Please wash all attendees hands for a maximum of 20 seconds with warm water and soap prior to entering the event space.
- We encourage parents and children to use the hand sanitiser upon entry and regularly throughout their time with us. Please note we have teamed up with Direct Eco Solutions to bring you child friendly sanitiser.
- Adults are required to wear a mask unless they are exempt.
- You will be given a 5 min warning before the end of the session to allow parents to retrieve their children so we can clean prior to the next session (we were always doing this 😊)
- Parents are encouraged to help with social distancing where possible.
- If your child requires the toilet please sanitise upon re-entering the play setting
- The cleaning is our priority for everyone's safety please help us keep you all as safe as possible.
- Restricted occupancy numbers for safety reasons, we hope you understand and appreciate this is for everyone's safety
- As Government requirements evolve, it may become mandatory for us to NHS Test and Trace app
